MIKE CLEARY'S ATSS TRAINING PRESENTS:

NEW HAVEN, CONNECTICUT

## **Ford 6.0L, 6.4L & 6.7L Powerstroke Training**

Mike Cleary, the instructor, is an eight time award winning Ford Motor Company Certified Senior Master Technician and Powerstroke Engine Specialist. He was a founding board member of Ford Motor Company's Professional Technician Society, an organization dedicated to serving the needs of Ford dealership technicians in the United States and Canada. He has served on two separate Ford National Technician Advisory Boards, and received national recognition from Ford Motor Company for his contributions to Ford as a field technician involved in improving the 6.0L Powerstroke Engine Program. As a member of Ford's IDS (Integrated Diagnostics Software) beta team, he provides field feedback to Ford regarding how IDS performs on Ford's newest vehicles. He is an ASE Certified Master Technician in both the Automobile and Heavy Truck categories, as well as being L1 and L2 Certified. He is also certified by the state of California as an Advanced Emission Specialist Technician, and has a Bachelor of Science Degree in Industrial Technology from California State University, Fresno. He has been a member of the Society of Automotive Engineers since 1981.

He currently owns his own shop, Cleary Automotive, specializing in high tech driveability and electronics repairs on Ford vehicle systems. An internationally recognized trainer, he presents high tech driveability and electronics training for technicians worldwide for his training company, Automotive Technical Support Services, in addition to writing automotive diagnostics articles for industry trade magazines. He has 35 years of continuous experience as a hands-on automobile technician in independent shops (23 years) and dealerships (12 years).
